## **Ice Miller Attorney Charles Bush Selected for 2018 LCLD Pathfinder Program**

Ice Miller LLP has selected attorney Charles Bush as its 2018 Leadership Council on Legal Diversity (LCLD) Pathfinder. The LCLD Pathfinder Program is designed for diverse, high-potential, early career attorneys at LCLD Member organizations.

“Charles is one of the young stars at our Firm, and his participation in the LCLD Pathfinder program provides development and mentoring opportunities that will enhance his ability to lead,” said [Steve Humke](#), chief managing partner of Ice Miller.

The goal of the LCLD Pathfinder program is to connect high-potential attorneys through a professional development series that focuses on:

- foundational leadership skills,
- professional networks and relationship building skills, and
- career development strategies.

Charles is an attorney in Ice Miller's Labor and Employment Group. He represents employers in all forms of labor and employment law matters, including litigation, Equal Employment Opportunity Commission and National Labor Relations Board administrative matters, and development of employer policies and practices.

LCLD is an organization of more than 275 corporate chief legal officers and law firm managing partners—the leadership of the profession—who have dedicated themselves to creating a truly diverse U.S. legal profession. LCLD's action programs are designed to attract, inspire, and nurture the talent in society and within organizations, thereby helping a new and more diverse generation of attorneys ascend to positions of leadership. By producing tangible results in the lives of talented individuals, LCLD works to promote inclusiveness in institutions, circles of influence, and society, with the ultimate goal of building a more open and diverse legal profession.
