### **August Mack Environmental, Inc. Ranked as the #1 Largest Indianapolis-Area Environmental Consulting Firm by the Indiana Business Journal**

INDIANAPOLIS - December 11, 2017 - August Mack was recently ranked as the #1 Largest Indianapolis-Area Environmental Consulting Firm by the Indiana Business Journal (IBJ). The IBJ's lists serve as a valuable business resource providing the most comprehensive information of the local business community. Last year, August Mack was ranked #2, and looks forward to continuing that momentum in the future.

August Mack was founded in 1988 as Hoosier Environmental, and has a rich history of providing excellent client service in Indiana as well as much of country as we have expanded our geographic reach with our clients. August Mack was founded on two fundamental principles; to provide superior client service and a strong commitment to employees. These principles ensure the company maintains its focus throughout an ever-changing technological and business environment. These principles guide August Mack through its mission to provide sound, economic and permanent solutions to environmental problems.

August Mack Environmental, Inc. is a full-service environmental, health and safety (EH&S) consulting firm specializing in regulatory compliance; environmental due diligence and risk management; site investigation/remediation/closure; and sustainability services to the industrial, legal, financial, health care and government sectors throughout North America. August Mack has offices in Indiana, Illinois, Michigan, Missouri, Ohio, Pennsylvania, and Alabama. For more information on the company's services, call 317.916.8000 or visit [www.augustmack.com](http://www.augustmack.com)
