OFFICE OF MARKETING AND COMMUNICATIONS

Earn Master of Leadership Development Fully Online

Good leadership is critical for the continued growth of every company. Prepare to embrace leadership roles successfully with the fully online Master of Leadership Development program at Saint Mary-of-the-Woods College.

Employers across all industries need leaders who demonstrate vision, strategic thinking, ethical responsibility and effective decision-making skills to create change at every level of an organization. With courses like financial management, ethical decision-making and strategic planning, graduates will make a significant impact in for-profit or not-for-profit organizations.

The Master of Leadership Development program is designed for working professionals to complete their degree in just one year and there is no GRE requirement. Classes begin in February. Learn more about [becoming a more effective leader](#).
